

SSP “Cancer Awareness” Bracelets

Back by popular demand!!

Did you miss the opportunity to create the special “Cancer Awareness” Bracelets when you attended the NSJFWC Convention in May? Or did you make one, but wish you had more?

The good news is that NJSFWC will be ordering the beads necessary for your club to make the “Cancer Awareness” Bracelets which are sold to benefit the Special State Project.

Each bracelet “kit” will cost \$15 to cover the cost of the materials, as the cost of silver jumped since May. Each bracelet kit will include all materials needed for one bracelet (the beads and elastic string) along with instructions for assembly and a chart identifying the significance of each colored bead.

All pre-ordered “kits” will be ready for pick-up at the State Fall Conference.

Please complete the form below and mail with your check payable to NJSFWC earmarked “SSP Cancer Awareness Bracelets” to NJSFWC Headquarters **no later than September 30th**.

Gilda’s Club/The Wellness Community
“Cancer Awareness Bracelets” Order Form
